

STUDENT SERVICES FAIR 2008

The Spring 2008 Student Services Fair will be held this coming Thursday, March 13th from 11-2 p.m. in the Central Quad Area.

This much anticipated event has been very successful as it continues to grow in popularity with the students and campus staff. We sincerely hope that your area will be able to join us again. Below we have listed areas that we anticipate will participate this semester. If your area cannot participate, please let us know so we can take you off the list.

As with prior fairs, we will be providing a table, umbrella, 2 chairs, and 3 staff lunch tickets to each participating area. We cannot provide more than 3 staff lunch tickets per area. The tickets will be distributed at the event. Please arrive around 10:30 a.m. for set up. Be sure to bring area applications and informational materials to distribute to students.

Once again, we will be providing lunch to the first 500 students. As with past fairs, student will need to visit 7 participating areas and have their survey stamped. We will distribute stamps to each area on the day of the event.

Tables will be claimed on a first come, first basis.

For our devoted faculty members around the Quad area during the time of the event, I want to convey that instructions have been given on music sound control to minimize class disruption to the best of my abilities.

Looking forward to another successful event.
