Classroom Presentations

Look for the fall Transfer Center presentations that are coming to many of your classes! The presentations will cover some of the important transfer deadlines and give you some of the transfer websites, that will assist you in making your transition to the next level. Ask your professors if they have scheduled the short 5 minute presentation. If they haven't, have them contact Leroy Johnson (Transfer Center Coordinator) at 619-388-2413 to schedule one this semester!

Annual Transfer Day is October 8th from 10:00 until 1:00 on the Math and Science Quad. Over 50 university representatives will be on campus for you to explore your transfer options.

For a list of attending universities visit the Transfer Center website.

Did you know..?

That there are now 14 majors that Mesa offers through the AA/T and AS/T Transfer Program. Check out www.ADegreeWithAGuarantee.com and refer to pg. 90 of the Mesa catalog for the details. It's important that you understand your options for these, and other transfer programs.

Transfer Myth: I have until the end of spring semester before I transfer to complete my 60 units, and other transfer requirements.

Truth: Some of the UC TAG contracts require you to complete English, and or Math by the end of the previous fall semester.
